

Notice for the Cloud Computing Association in Taiwan (CCAT) 1st Session of the 4th General Assembly meeting
We sincerely look forward to your participation

The Cloud Computing Association in Taiwan will be holding the 1st session of the 4th General Assembly meeting on November 4th at the Sheraton Grand Taipei Hotel. In accordance with the inseparable development trend of the Internet of Things (IoT) and cloud computing, and to strengthen our services regarding the Internet of Things to association members, during the 8th session of the Board of Supervisors meeting a rename proposal has already been approved, with the intention of changing the Association's name to "Cloud Computing & IoT Association in Taiwan", referred to as "CIAT". The renaming proposal will be further brought to the attention and discussed during the General Assembly, looking for everybody's support.

At the same time, during this meeting we will conduct the elections for the member of the 4th Council and Board of Supervisors, so all members are invited to be present at this event, let us get together this day, and work together to build a solid foundation for the future inheritance!

本次大會進行之議程如下：The agenda of the meeting is as follows:

Venue	Sheraton Grand Taipei Hotel B2F (Prosperity Ballroom) B2F, No. 12, Sec. 1, Zhong Xiao E. Rd., Taipei (Taipei Metro Line 5 Shandao Temple Station, exit no. 2)
Time	Nov. 4th, 2016 (Fri.)
Agenda 09:00~11:30	Member representatives check-in
	Address by the Chairman
	Address by the Guests of honor
	CCAT start-ups breeding program award ceremony
	Keynote speech – Minister without Portfolio Audrey Tang
	Work reports
	Proposals discussion
	Provisional motions
	Election of next council and board of supervisors
End meeting	

Last week, **the Association** has already sent the letter of invitation for the General Assembly and the **attendance survey sheet**; in order to make the day's activities proceed smoothly, all members are asked to fill in the survey and **sent back to us by fax or scan**, to facilitate the related work procedures.
